COMMENTS: **ABANDONMENT (0901) ORDINANCE NO. 2001.12** This is the first public hearing for the abandonment of a landscape and slope easement, located at 981 and 1007 West Washington Street being a portion of Lots 6 and 7 Papago Park Center Phase II Book 537, Page 23 MCR.

Document Name: (20010517PWDR01) Supporting Documents: Yes

SUMMARY: This easement was initially dedicated to provide an area for the fill slope which supports Center Parkway as it approaches State Route 202. The current plans of Magellan Development for the Riverview at Rio Salado replace the fill slopes with retaining walls in order to open up more area for development without compromising the integrity of Center Parkway. The Ordinance stipulates that the walls be constructed in conformance with the improvement plans for the abandonment to be complete.

RECOMMENDATION:

That the City Council hold a public hearing and adopt Ordinance No. 2001.12 and authorize the Mayor to execute any necessary documents.
